One Step Forward. N e v e r, Look Back

One Step Forward. NEVER, Look Back.

****Author's Note**** I wrote this after reading something melodramatic. So don't blame me!

All I have is gone,

yet all that beknowst is mine.

As the Fates have placed it upon me,

as I fade away slowly,

Nevermore will I breathe the sweet scent of life

Nevermore will I hear the sweet sound of laughter

Nevermore I will . . .

~"Death"

Rachel stood in the forest. It was over. The Yeerks had triumphed. All of the others dead or infested,

Tobias. He had asked her to kill him so he would never be infested. Killed. By her very own hand!

My god, Rachel, she thought, I killed him! With my very own hand!
Never tried to stop him! Just fired the Dracon beam!

Cassie. Infested. Visser Seven now.

Jake. Killed, by a Dracon beam.

Ax had committed suicide. With his very own tail when he had been captured.

Marco. Infested. Visser Two.

All hope was gone. How could she carry on the group by herself?

Ahead were controllers.

Behind were controllers. All surrounding her.

A tear rolled down her cheek.

Fate was waiting for her.

One step forward.

Never, look back.
